The secretary was notified to keep the ticket open until 12 o'clock on Monday for additional nominations, and not to place the name of any one upon the ticket unless he had paid the assessment.

The clerk was directed to solicit subscriptions from the candidates for the City Council. It was decided to have 5,000 tickets printed with the names of all the candidates thereon, these tickets to be deposited at a convenient place at each voting precinct and also to be distributed among the candidates.

It was decided to employ one man at each of the polls to keep the ward books and the democratic judges and registrars were requested to act as judges at the primary.

BURNING OF A BARN.—Mr. M. Schuler's barn, situated on the south side of the Virginia Midland Railway track, about half a mile west of the city, was destroyed by fire about one o'clock this morning.

The fire was evidently of an incendiary origin. There was an insurance on the structure. This barn has been used by tramps as a retreat for years, and though it has several times been raided there is hardly a night that nomads haven't been in it.

Of late Mr. Schuler has not been using it, and the tramps who have been nesting under its shelter have built fires from boards pulled from the sides. Yesterday afternoon a fire had been started in it by some stranger, and Mr. Schuler upon learning of the fact armed himself with a rifle and suddenly appeared on the scene.

All but two of the tramps (a white and a colored man) escaped, and he conducted them to this city and turned them over to Officer Grady. When Mr. Seb entered the barn the men were engaged in placing boards on the fire which had been pulled from the structure.

The Mayor this morning sentenced both to a thirty days term on the chain gang. Schuler's barn, strange as it may seem, is known to tramps throughout the world. A gentleman who was recently waiting at the Midland depot for a train became engaged in conversation with an unknown itinerant who spoke of the barn as a tramp's roost.

The stranger said that once on a dock in Liverpool he was talking to one of his own caste. He told his companion he was coming to America and the latter volunteered some information regarding this part of the world.

PERSONAL.—Mr. W. W. Kinzer, formerly of this city, and Miss Esther Williams were married at Amityville, N. Y., on Wednesday.

Miss Melissa Hill entertained a few friends at a dancing party given at her home on south Washington street last night.

Capt. J. D. Beach, of this city, and Miss A. B. Dorsey, of Maryland, were married in Washington last night.

The marriage of Mr. French Smoot, of this city, and Miss Marie Bass, of Bethlehem, Pa., is announced to take place soon.

Mr. G. H. Hinman, of New York, was in the city to-day on legal business.

Mrs. H. W. Newby has gone to Tacoma, Washington, to join her husband, who is engaged in government survey work in the west.

Mr. Maxwell McCracken, of Pittsburgh, is on a visit to his old home in this city.

Mr. W. A. Smoot has gone to Richmond to attend a meeting of the Grand Camp of Confederate Veterans.

Master Frank Pollard very pleasantly entertained a number of his friends at a party given at his home on Cameron street last night.

REVIVAL SERVICES.—There was again ample evidence of the interest Mr. Stokely has awakened in Trinity Church last evening.

The singing was spirited, the sermon powerful, and the altar service solemn and engaged in by scores. One person was received on probation. To-night an Epworth jubilee will be held.

Another well-attended mission meeting was held in the First Presbyterian Church last night.

Much interest is being manifested in these services and it is confidently believed they will be productive of much good.

The services in the Baptist Church last night were of the usual interesting nature. Two persons were received into the church and three others applied for admission.

There will be preaching again to-night. RED MEN.—At a regular meeting of Osceola Tribe of Red Men, held at their wigwam last night, the permanent organization of the uniform rank was perfected by the election of the following officers:

Captain, Andrew Deeton; 1st Lieutenant, Frederick Schwab; 2d Lieutenant, S. C. Cuvillier, jr.; 1st Sergeant, Chas. E. Dove; 2d Sergeant, Chas. Nagel; Secretary and Treasurer, Chas. Nagel; committee on ways and means, A. Deeton, C. Nagel, S. C. Cuvillier, jr., W. A. Richardson and A. H. Penn.

The name adopted was Color Guard and is the first and only organization of the Chieftain's League in this State, while the tribe from which it is formed is the oldest chartered in the United States.

The present membership numbers forty and will immediately order conventional uniforms. ST. MARY'S CHURCH.—The work of remodeling St. Mary's Church, which has been considerably delayed, is now being rapidly pushed to completion, and it is understood will be ready for the use of the congregation by the middle of May.

Rev. H. J. Cutler and the committee having the work in charge are to be complimented on their selection of the plan of the front, and it will, when finished, be one of the handsomest church edifices in the State.

The frescoing, it is understood, will be finished by the first of May. A memorial window will be put in by the congregation in honor of Father Andrew J. Keating, and several others in memory of deceased relatives of members of the congregation.

LIGHT HOUSES.—While the money will not be available before July 1, the Treasury Department is preparing designs for new lighthouses at Smith's Point and Lower Cedar Point.

The location of the Lower Cedar Point light is to be changed to the opposite of Potomac river from the position it originally stood to secure greater range for visibility both for vessels proceeding up and down the river.

This station will also be after the screw-pile order, and like the Smith's Point light will have an imported lense. Work on both will begin early in the summer and will be completed within a year.

REPORTED CONFESSION.—A Washington newspaper contained this morning a report, which has not been confirmed, to the effect that "Billy" Williams, charged with complicity in the burglary at the ferry wharf in Washington, had made a confession implicating Desmond and Dempsey.

The officials in this city who had dealings with Williams eight years ago when he was arrested on the charge of murdering Policeman Arnold are of the opinion that he is about the last man in the world to make a confession.

THE B. & O. DEPOT.—Messrs. E. J. Miller & Co., of this city, to-day received a letter from a B. & O. R. R. official saying that the contract for building a depot in this city either had been signed or would be in a day or two and that the work of erecting the building would be commenced at once.

The erection of such a depot here would be of great advantage and convenience to the Alexandria merchants who will then be able to ship to all points on the B. & O. railroad direct from this city.

THE MINSTRELS.—George Thatcher and Carroll Johnson's Minstrels will appear at the Opera House next Monday night. The company will give their performance intact, the same as presented in all of the large cities.

Geo. Thatcher will appear in his famous monologue and tell some of his funny stories. Carroll Johnson will sing some of the latest and popular songs. Powers, Leighton, Sharp, Burt, Flatt, Daly, Waite, La Rose Bros. Carnes, Duklan and other minstrel favorites, will contribute to the evening's entertainment.

ATTEMPTED ROBBERY.—Some one attempted to rob Mr. Henry Graham's residence, on the north side of Prince street, between Pitt and St. Asaph, shortly after nine o'clock last night.

The thief had entered the house from the rear and the noise he made attracted the attention of the inmates. Officer Griffin, who was in the neighborhood, entered the house and made a thorough search, but the thief could not where he found, though his footprints could be seen in the yard.

CHANGE OF SCHEDULE.—The following changes of schedule will go in effect April 21 on the Southern Railway: Southbound—No. 35 leaves Alexandria 11:35 a. m.; No. 13, Manassas division, leaves Alexandria 4:25 p. m.

THE RACES.—A large crowd attended the races at St. Asaph to-day and 21 book-makers did business.

The first three races resulted as follows: First race, 6 1/2 furlongs.—Tuscan won, Tancred second, Golden Gate third. Time 1:22 1/2.

Second race, 5 furlongs.—Wah Jim won, King Gold second, Miley third. Time 1:12 1/2.

Third race, 1 mile.—Lambert won, Vice Regal second, Cadiz third. Time :50 1/2.

A DENIAL.—Mr. J. Frank Cook, jr., in a note to this office denies the statement published in a Washington paper this morning to the effect that he was robbed in that city last night.

FISH.—Since yesterday about 100,000 Fishowen, and 2,700 shad have arrived at this point. Herring sold to-day at \$28.30 per thousand and shad at \$12.85 per hundred.

It will be an agreeable surprise to persons subject to attacks of bilious colic to learn that prompt relief may be had by taking Chamberlain's Colic, Cholera and Diarrhoea Remedy.

In many instances the attack may be prevented by taking this remedy as soon as the first symptoms of the disease appear. 25 and 50 cent bottles for sale by L. Stabler & Co.

TWO LIVES SAVED.—Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life.

Mr. Thos. Eggers, of 139 Florida street, San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else, then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful.

It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and Colds. Free trial bottles at E. S. Leadbeater & Sons' Drug Store. Regular size 50c and \$1.

LOCAL BREVITIES.

The committee on public property will meet to-night. The Easter music at St. Paul's Church will be repeated on Sunday.

Liquor licenses were to-day granted to J. Ahern & Co. and Christina Bohrens. The Alexandria Assembly will give their Easter ball at McBurney's Hall to-night.

Prayer Hall, at the Theological Seminary near this city, is being repaired and put in order. The burning of a chimney of a house adjoining Roberts Chapel last night almost caused a fire alarm.

A sick man came to this city on the ferry boat yesterday evening and a report was started that he had smallpox. The Free Methodist Church has been newly kalsomed and repaired and will again be used for service Sunday.

Belle Haven Council, J. O. A. M., last night paid a fraternal visit to Andrew Jackson Council of Washington and greatly enjoyed their trip. The suit of Noland against Meekins, in the county court of Fairfax, for possession of a house, was decided by the county judge Wednesday in favor of Meekins.

A pocket book which was lost by a lady of this city on a train between this city and Washington was found by an attaché of the race track and returned to its owner. Ben. F. Wright, the man who shot himself in the woods near Glenwood cemetery Wednesday morning, died in the Emergency Hospital in Washington yesterday as the result of his self-inflicted wounds.

Mr. Fred. W. Reh, of Washington, was in this city yesterday looking for an anchor which had been stolen from him at Collingwood Beach. He found the stolen property in a junk store, where it had been sold. The Fredericksburg Lance says: "Mr. George Newton, a well known fisherman from near the Potomac, says that the herring in that river are so numerous that you can go out in a boat and kill them with the paddles."

The ending of the Lenten season was celebrated by a grand ball, given by the young men of Manassas Wednesday night. Among those present were Misses Morgan and Whiteley and Mr. Wattles, of this city, and Hon. and Mrs. E. E. Meredith.

Marriage licenses were issued in Washington yesterday to Turner Ashby, of Churchville, and Josie Wampler, of Manassas; Richard Cooper and Mary Lansdowne, both of Alexandria, and J. H. Perkins and Hattie T. Mallory, both of Richmond.

A colored inmate of St. Elizabeth Lunatic Asylum escaped from that institution yesterday. He procured a boat near Geisboro and crossed the river, landing a short distance above this city. He wore no coat and it is thought he can soon be captured.

The Young People's Union of the Second Presbyterian Church held an interesting meeting last night. The following interesting programme was rendered: Piano duet, Miss Rice and Mrs. Kennedy; solo, Miss Mary Moore; duet, Miss Julia Houck and Mrs. Ruth Field; violin solo, Mr. Courtney Houck, accompanied by Mr. Harry Wheat.

The commission of Gen. Fitzhugh Lee as collector of internal revenue for the western district of Virginia was forwarded to him by the commissioner of internal revenue at Washington yesterday. As soon as General Lee qualifies and files his bond with the Treasury Department the agent now in charge of the office will be directed to turn it over to him.

Mr. O. F. Baggett will have for sale in market to-morrow a large supply of fine spring lamb and other fresh meats. COUNTY NOTES.

A lively time was had at Johnston's store, at Arlington, last Wednesday night. Mr. Duncan, an employe of the Pennsylvania Railroad at St. Asaph station, who is a candidate in place of Mr. Hume for the board of supervisors, was the principal speaker, scoring Mr. H. for not taking possession of the old Alexandria and Washington pike (now held by the railroad company) and putting the same in good condition. The facts are that Mr. H. has been trying to have the railroad people turn the road over to the county authorities, and at his own expense has been to Philadelphia and had an interview with the president of the road for that purpose. As it is well known, the Secretary of War has not succeeded in having the causeway and approaches to the Long bridge put in order by the company holding the franchise, it is a matter of curiosity to know how an employe of the company proposes carrying out his promises in that respect to the voters of the county.

Much complaint having been made by the residents of St. Elmo and Del Ray, the two suburban villages near Alexandria, of a want of school facilities, an offer has been made by Mr. Frank Hume to donate to the county two lots at the intersection of Mount Vernon and Hume avenues for the purpose named, at which point, if a school be built, both subdivisions would be accommodated and the best location obtained without cost. The matter of the construction of this proposed school house was, at the meeting of the county school board held on Wednesday last, referred by Superintendent of Schools J. E. Clements to Messrs. Robertson, Saulsbury and Sisson, trustees of school for Jefferson District, for a special report at the next meeting of the board.

FAIRFAX NOTES. Mr. Zadoc Kidwell died at his home at Vale on Friday last, aged 80 years. Mrs. Courtney Hutchison, mother of postmaster A. G. Hutchison, of Herndon, died on Wednesday of last week of apoplexy. Mr. Frank E. Bladen and Miss Nanie E. Cook, were married on Wednesday evening at the residence of Mr. Ambrose Cox, at Annandale. Mrs. W. E. Moore died Tuesday at Vienna after a short illness of pneumonia. She was the daughter of the late Mr. Augustus Williams, and leaves surviving her a husband and five children. It is understood that an offer of \$3,000 has been received by the Commissioners, from Mr. T. R. Swetnam, for the Fairfax hotel property, which offer will be reported by them for confirmation.
